

iSRA 2020 Virtual Annual Meeting Institutional Rate FAQs

1. Are SRAI memberships included in the Multi-Track Institutional rate? **No**
2. Are SRAI memberships included in the One-Track Institutional rate? **Yes**
3. Can you provide an example of how the Multi-Track Institutional rate can be used?

Let's say you have 10 team members with a wide range of responsibilities. You have the flexibility to allow 5 people to attend 3 tracks each and an additional 5 people to attend 2 tracks each. Conversely, you could instead have 2 people register for 4 tracks, 1 person for 3 tracks, and 7 people register for one track (each track is one 2-day event). For complete flexibility, let us know your needs and we can customize a package just for you.

4. If I purchase an institutional track, can I choose a workshop(s) instead of a track? **Yes, workshops can be used in place of any track.**
5. Must participants in the Multi-Track rate be SRAI members? **No, the multi-track institutional rate does not require SRAI membership.**
6. Is the Main Event included with the Institutional Registration? **Yes**
7. What if some of my employees, but not all, are already SRAI members and I purchase the Single Track institutional package? **All current members participating in a single track package will have their membership extended for a full year, with any non-members receiving membership for that same one year time frame.**
8. Can employees registered with an Institutional package receive an SRAI Certificate? **Yes, if they register and attend the sessions and workshops needed to complete the certificate. See [Certificates](#) for course outlines.**
9. Can I get CEU credits for "On Demand" sessions I attend? **Workshops will not be available "On Demand" so you must attend the workshops live to receive credit, but you will be given credit for attending concurrent session recordings.**
10. What is the cost of attending just the Main Event? **The Main Event is an add on to a track or workshop. You must register for a workshop or track to receive access to the Main Event.**
11. Can my partner/spouse/friend attend the reception with me? **Yes they can attend if they purchase a [guest ticket](#).**
